Additional Project Information:

TO ENSURE THE INSTALLATION IS COMPLETE AND READY FOR START-UP SERVICE PLEASE REVIEW AND CHECK THE FOLLOWING CONDITIONAL REQUIREMENTS:

- 1. Physical installation is complete, including the installation of batteries in their designated location according to the battery layout.\*
- 2. Electrical connections have been made (both input and output) to the system and all loads are hooked up and ready to have power applied.\*
- 3. Owner representative named above has been notified and will be present for instruction and training during start-up.\*
- 4. Training contact has been notified and will be present for instruction and training during start-up.

**If Yes, Provide Contact Information\***: Please Provide Name, Number, and Email Address

WE HEREBY ACKNOWLEDGE THE ABOVE REQUIREMENTS PRIOR TO START-UP AND ACCEPT AND HEREIN AUTHORIZE ANY ADDITIONAL EXPENSES (INCLUDING ADDITIONAL SITE VISITS) INCURRED SHOULD THE EQUIPMENT NOT BE FOUND COMPLETE AND READY FOR START-UP, AT THE DETERMINATION OF THE ISOLITE FIELD TECHNICIAN.
