

2040-70

Vandal Proof Institutional Self-Luminous Exit Sign

DATE:	COMMENTS:
PROJECT:	

FEATURES

- Designed to stand up to abuse in applications such as schools, institutions, public areas and apartment complexes where vandalism may occur.
- Requires no electricity, external light source, lamps, batteries, or wires resulting in easy install and no maintenance.
- Constructed with a beveled edge, heavy duty, cast aluminum frame with an unbreakable polycarbonate faceplate and an extruded aluminum double face design.
- Approved for floor proximity or above-door applications.
- Approved for use in damp, wet, hazardous, and extreme temperature locations.
- Special wording and pictograms are available upon request.
- 10 or 20 year service life options are available.
