

CHL

Chicago Approved Steel 12-60 Watt Emergency Light

DATE:

COMMENTS:

PROJECT

Product Discontinued.

FEATURES

- City of Chicago Approved
- Two fully adjustable, top mounted metal heads are supplied as standard
- Capable of powering multiple remote heads
- Unique locking twist-collar securely holds the lens for quick and easy re-lamping
- Low voltage cut-off prevents battery damage and ensures positive charge acceptance following an extended discharge
- UL listed 90 minute run-time
- Self-Test / Self-Diagnostic monitoring available
- Maintenance free, sealed Lead Calcium battery or Nickel Cadmium battery
- Short circuit battery protection
- Brownout detection ensures emergency operation during periods of low line voltage
- Line-latch prevents unnecessary discharge of battery during installation. Loads will not illuminate until after application of utility power
- Key hole mounting slots and conduit knockouts are provided for additional mounting options
- 120/277 VAC field-selectable inputs (with the exception of TD (time delay) option which requires voltage specification upon ordering)
