PROJECT

Product Discontinued.

FEATURES

- City of Chicago Approved
- Exclusive Chicago Approved, field-installable Universal Arrows
- Plenum rated recessed back box can be pre-installed at job site
- “Snap-in Lens” for easy installation
- Hinged springs conceal mounting hardware on recessed models
- Industry leading 3W or less total energy consumption
- Premium long-life, high temperature fused nickel cadmium battery with standard UL listed 3 hour run-time
- Standard battery diagnostic monitoring system on all emergency units
- Full self-diagnostic monitoring system available
- 3 hour standard emergency run-time
- Zero current, low-voltage disconnect
- Uses only 10 Super-bright, long-life white LEDs with 25+ years life expectancy
- 120/277 VAC field-selectable inputs (with the exception of the C1/C2 (dual-circuit) option which requires voltage specification upon ordering)
