

PKIT1

Swivel Mount Pendant Kit for Reliance Series (RL) Exit Signs

DATE:

PROJECT

COMMENTS:

FEATURES

- Swivel ball design allows the exit sign to hang plumb from sloped or uneven ceilings.
- Snap-on swivel cover conceals the swivel bracket and the junction box connection.
- Available in 12", 24", 36" and 48" pendant rod lengths.
- White or black finish to coordinate with the exit sign frame color.
- Mounts to a standard junction box (by others) using the included swivel bracket and screws.
- Pendant adapter and canopy attach to the exit sign after removing the snap-in cover.
- All pendant mounting hardware included; assembled in the field.

ORDERING INFORMATION *PKIT1-WH-24*

1. SERIES^{1,2}

PKIT1

2. FINISH³

WH White
BK Black

3. LENGTH

12 12" Pendant Rod
24 24" Pendant Rod
